Printing & Promotions

Press Release

Document Resources, Inc. to merge with Quality Resource Group, Inc.

Minneapolis MN, July 15th 2010: Gordon Peterson, President of DRI is pleased to announce the merger with Quality Resource Group, effective July 15th, 2010. Our existing team will remain on board and we look forward to bringing our clients and our team the best the industry has to offer.

Denny Pottebaum, President of Quality Resource Group, Inc. is very pleased in that he has known and respected the team at DRI for twenty years. Their collective sales and capabilities will rank them as one of the leading companies in the Independent Print and Promotions Industry.

Quality Resource Group, Inc. is a solutions provider for print and promotional products. Their roots go back to the mid sixties and serve clients nationally and internationally with offices and/or distribution centers in fourteen cities.
