GENERAL ORDERING INFORMATION

Art Charges
Minor artwork adjustments can be made with no additional fees applied. This would include items such as slight modifications to size and/or color, name changes, and artwork cleanup (i.e. removing spots from scanned artwork). These alterations should take no longer than 10-15 minutes to complete.

Need a little extra help with your artwork? Additional design/layout/color assistance is available for an hourly rate of $75.00 (V). This would include items such as color matching or color separation, logo redraw/manipulation or any additional layout design work needed on artwork. Please call for a quote, and make sure to specify what type of design assistance will be needed.

Changes or Cancellations
Changes to orders in progress may require additional set-up and/or processing time. Cancellations for orders in progress will require payment for the order.

Color Matching
Digital full color and sublimation full color processes cannot guarantee a PMS match.

Engraving
We use laser engraving for our engraving processes. There is no set up charge for engraved items.

Manual Handling Fee
Manual orders may incur additional handling charges. Contact customer service for additional information.

Over/Underruns
There is no charge for exact quantity requests. You will only be billed for the quantity on your purchase order.

Production Times
Production times are stated for each item on their catalog page. Quantities over the last column pricing may require additional production time. For large orders over the listed quantities in the catalog, please expect longer production lead times. For inquiries on production lead times, please contact customer service. Production times do not go into effect until all order details have been received, including artwork, all order information, and proof approval.

Proofs
• PDF Proof Email: Add 2 working days to the item production when requesting a PDF proof. First proof is FREE of charge. Additional proofs are $15.00 (R). Production time begins after receipt of complete order including proof approval.
• Production Sample: physical product proofs are available using customer artwork. These are offered at 10% off the quantity 1 wholesale price for standard catalog items and/or 10% off quantity 1 quoted price for custom products. Standard production times will apply. Please reach out to customer service for assistance.
• A complimentary proof may be required for certain orders to ensure satisfaction. Production will begin upon approval of the proof.

Quantity Price Breaks
Prices listed at various quantity breaks assumes the same standard logo or design on the items and includes variable data personalization such as a name, phone number, or address changes.

Rush Orders
Rush orders will be accepted as production schedule allows and must be pre-approved. Rush charges and production time are based on the complexity of the order and color match requirements. Minimum daily charge is $25.00 (R) or 10% of order value, whichever is greater.

Samples
Marketing samples on select catalog products are FREE of charge; standard shipping is NO CHARGE.

Third Party Shipping
No additional charges apply if you provide us with a valid shipper number.

ARTWORK—CREATING AND SAVING FILES

Full Color Process
Full color products are produced using CMYK. Every element of the file must be colored with process CMYK colors. If RGB or other non-CMYK colors are used in your files the necessary conversions to CMYK will change the appearance of the colors when printed, sometimes dramatically. Create one item sized correctly per document. Artwork must be at least 300 dpi. For highest quality output, 600 dpi is recommended. Accepted file formats include TIF, PDF, EPS or Ai files. Please make sure all fonts are embedded. Do not include any punctuation in the file name and please keep it short as possible.

Engraving
For engraved items please include; engraving stock # option if applicable, typestyle, upper/lower case imprint requirements and desired engraved imprint location (center, top, bottom, etc.). If no logo will be utilized, providing artwork is not necessary. Artwork must be at least 300 dpi. For highest quality output, 600 dpi is recommended. Accepted file formats include TIF, PDF, or Ai files. Please make sure all fonts are embedded.

ADA Signage
When ordering ADA signage you may choose a pictogram from the general information page or list CUSTOM if custom artwork is being sent. The custom artwork needs to be clean, black and white artwork scaled to fit the imprint area. Artwork must be at least 600 dpi. Screens are not available on all items.

GENERAL ORDERING INFORMATION
STAMPS & EMBOSSERS

Proofs
• PDF Proof Email: Add 2 working days to the item production when requesting a PDF proof. First proof is FREE of charge. Additional proofs are $15.00 (R). Production time begins after receipt of complete order including proof approval.
• Production Sample: physical product proofs are available using customer artwork. These are offered at 10% off the quantity 1 wholesale price for standard catalog items and/or 10% off quantity 1 quoted price for custom products. Standard production times will apply. Please reach out to customer service for assistance.
• A complimentary proof may be required for certain orders to ensure satisfaction. Production will begin upon approval of the proof.

Quantity
If no quantity is indicated, one stamp or embosser will be made.

Item Number
Indicate item number to designate which item will be ordered.

Finished Size
When ordering a rubber stamp of a different size not found in catalog, request a quote and indicate the finished size of the product on the order blank.

Special Instructions
Clearly print or type any special instructions in the space provided. Attach an additional sheet if necessary. Use this space to also indicate any special instructions or logos. Indicate all typestyles used on this order. All products will be typeset using our discretion unless otherwise noted in special instructions. Attach a sample whenever possible.

Artwork
You will need to provide clean, black and white artwork scaled to fit the Imprint area if custom design is wanted. Artwork must be at least 600 dpi. Screens are not available.

Notary Stamps & Embossers
All notary stamps and embossers will be typeset per the specifications of the state. Specifications vary state by state. Our policy is to follow the state specification for all aspects including but not limited to copy, format, product, and certificate.

STAMPS

Typestyles
If a typestyle is not specified, 4907C (Helvetica Neue Lt Std 55 Roman Caps) will be used. The maximum number of lines and characters for stamps are based on 8 pt. Helvetica. Contact customer service if information is needed on a specific product for lines and characters.

Ink/Imprint
If an ink color is not specified for stamps and date stamps, black will be used. Special exceptions may be noted by certain stamps. Certain date stamps are available with two ink choices. Indicate color choices for date and copy in special instructions. If no ink colors are selected, defaults will be used; refer to defaults for the item. All copy is typeset to fill stamps. If you do not want the stamp to be filled, note that information in special instructions.

Signature Stamps
Submit hand written signature three times on a blank white sheet of paper with your order. For best results we recommend using a fine point marker.

EMBOSSERS

Typestyles
If a typestyle is not specified, 4907C (Helvetica Neue Lt Std 55 Roman Caps) will be used. Maximum number of lines and characters are based on 10 pt. type for custom and formatted embossers. Contact customer service if information is needed on a specific product for lines and characters.

Logo or Format Number
When ordering an embosser, choose a format or provide custom artwork.

Embosser Direction
Specify one direction for which you will be using your embosser. If not specified; round embossers will default to left with rectangle embossers will default to bottom.
Embosser Directions
When ordering your embosser, specify the direction in which you want the embosser to be formatted. Please note, the pocket embosser image is being used in the diagrams below, however, the representations are inclusive of both the pocket and desk embossers.
