

CHARLES RIVER
APPAREL®

Inside the 2026 Collection

At Charles River Apparel, every collection begins with the place that shaped us: New England. Inspired by the rhythm of the Charles River, our brand was built on movement, resilience, and purpose. Since 1983, we've created apparel that feels right from the first wear and continues to perform season after season.

The 2026 Collection builds on that foundation with refined fits, elevated fabrics, and a versatile palette designed to move seamlessly across categories. Each style is thoughtfully crafted for comfort and ease, with silhouettes that work hard and decorate beautifully.

Every new piece incorporates recycled materials as part of our ongoing commitment to responsible design and lower-impact production. The result is apparel that performs, feels good, and supports your success—wherever the day takes you.
